Reception information

Dear friends,

We are very pleased to welcome you at the Theatre of Privas.
We wish you very pleasant evenings by our sides and with our spectators.

You will find hereafter information that, we hope, will help you to get acquainted with the town and will be useful during your stay with us.

Should you have any question or need further information, feel free to contact us.

Yours sincerely,

Dominique Lardenois
And all the team of the Theatre of Privas

The Theatre of Privas includes :

- An auditorium
- A hall
- A gallery dedicated to Contemporary Art
- Administrative offices
- A flat

At the very beginning of 1964, it has been decided to build a Theatre at Privas.

The first stone ceremony took place on 02 June 1967 and the construction started on 22nd Decembre, under Robert BANCILHON's direction (architect).

In 1970, the Theatre opened its gates.

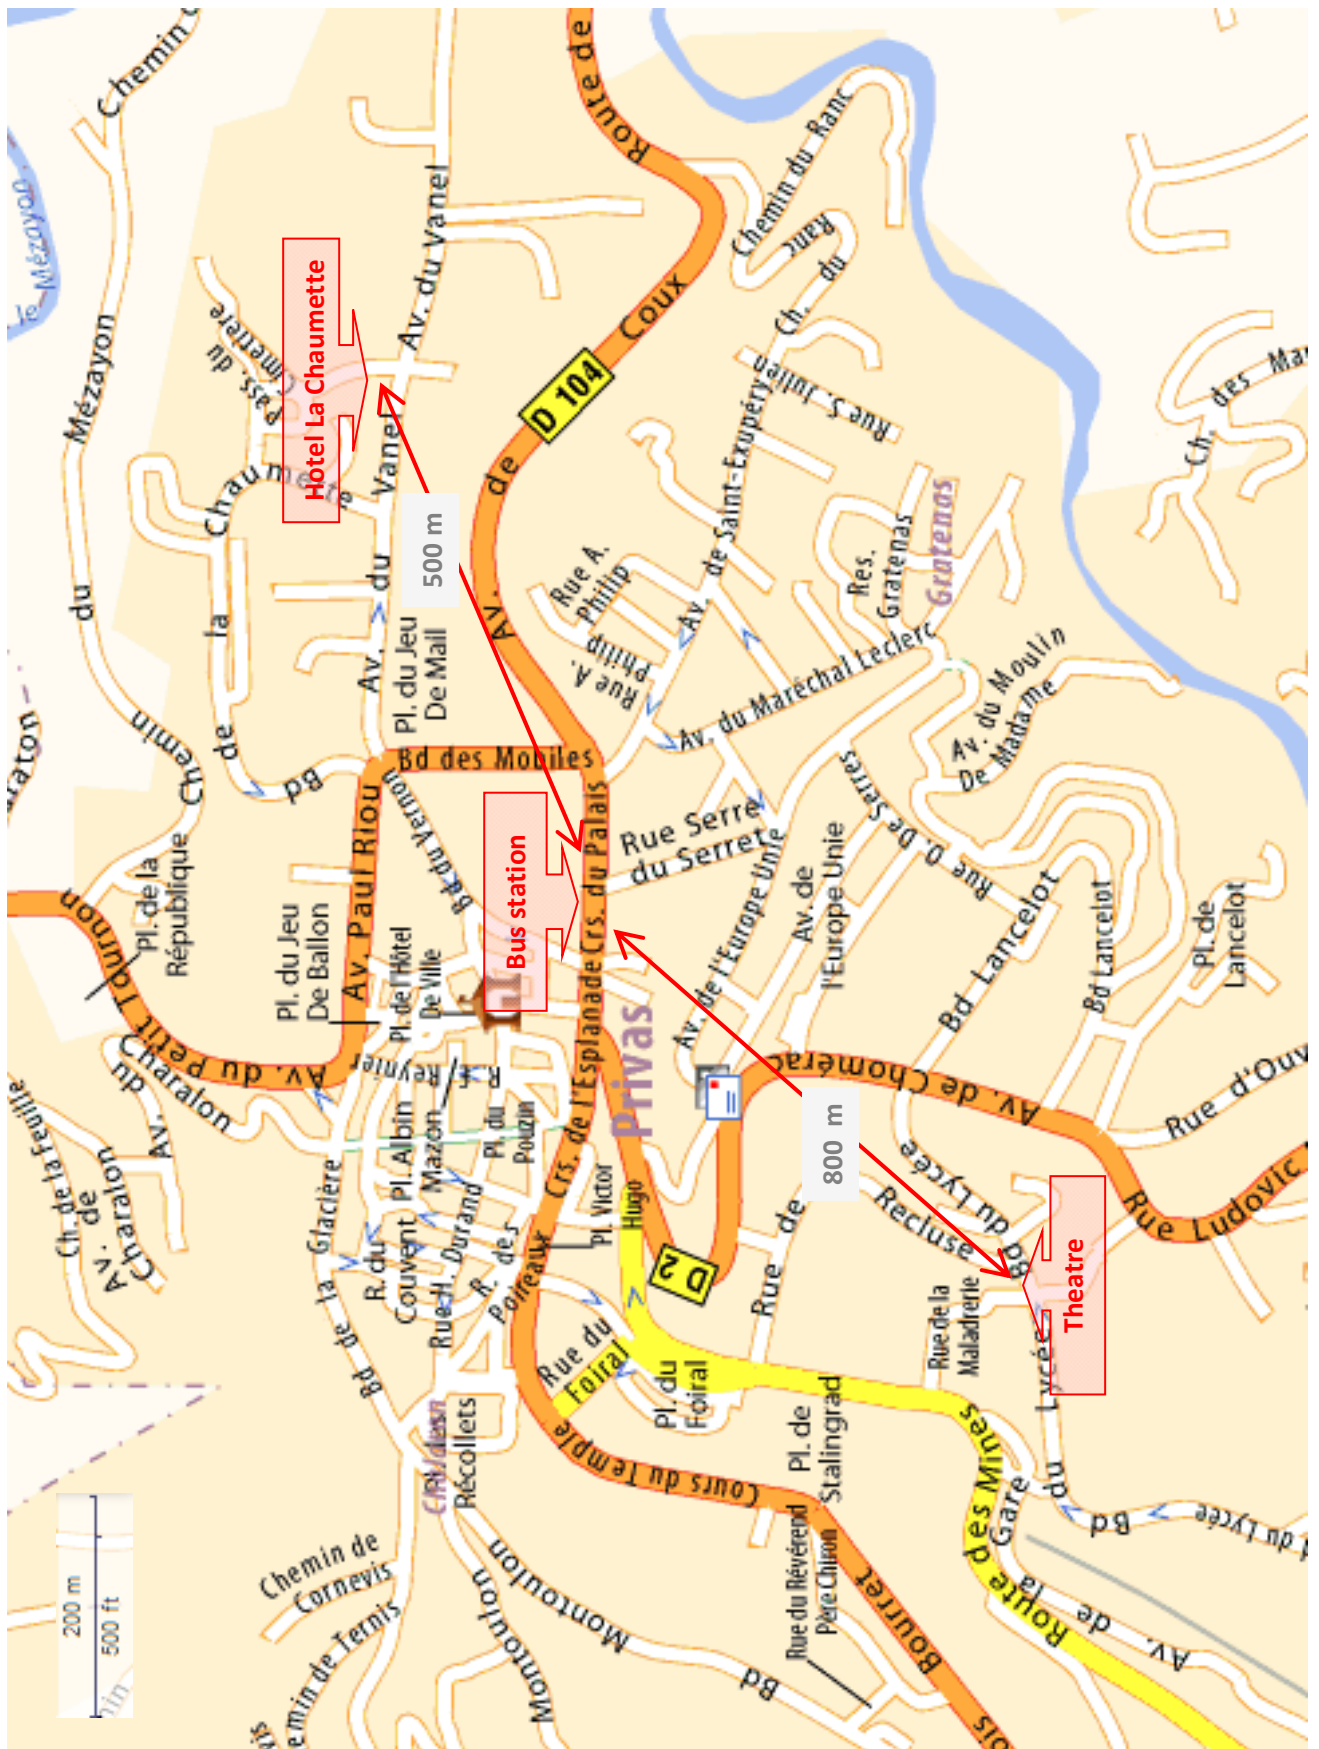

The auditorium has 809 seats.

Both the stage and the auditorium are fixed but can receive small-type performances. Bleachers on the stage inable proximity with the public.

Subsidized by the Ministry of Culture and Communication, the Rhône-Alpes region, the Ardèche Department and financed by the town of Privas, the Theatre of Privas offers a program adapted to any audience, from young to old people, under the banner of diversity : theater, poetry, dance, clowns, opera, circus, music, concerts. We also organize training sessions, workshops and we participate to arts education policy in schools in Drôme and Ardèche.

The bus station is situated « Cours du Palais » at Privas.

To reach the Hotel La Chaumette from the bus station : stay on the same side, walk back (pass by two banks) and, at the crossing, go up the street on your left. Road signs will guide you to the Hotel. It is indeed easy to go there by foot. Count 5-minute walk.

Transfers

The hotel is 5-minute walk from the bus station and 10-15 min from the Theatre. Therefore, no local transfers are organised, except if it is really necessary.

Evening catering

The Theatre serves meal before or after the performances. Meals are delicious, it is really friendly and the cook is use to all kind of diets (vegetarian, vegan, gluten free, hallal...)

The on-site catering is our “bonus”. Besides convenience, we have had very good feedbacks from the various teams who came.

To be taken into consideration : it is very difficult to find a restaurant opened after 9.00 pm at Privas.

The Theatre has its own bar, opened 1h30 before and after the performances, and serves drinks and snacks.

Accommodation

The Theatre takes in charge the accommodation directly with our partner, 3-star hotel La Chaumette, located at the centre of town.
